Our Campground

In December of 2020, we purchased this campground from Mama Doe and Ray (previously known as the Old Shiloh Campground). Since making our purchase, we continue to improve the grounds to make this a relaxing campground setting for you to enjoy. On our 46.9 acre facility, we offer a wide range of services from Seasonal (23) and Transient RV sites (27), Tent sites (20), Cabin rentals (8) and hotel rooms (7 King suites; 9 double bed rooms). We have a large general store and an onsite bakery/kitchen and 3 pavilions. We are working on an outdoor seating patio with umbrellas and an event center room. Add the beautiful and peaceful forest land setting and a catch and release pond, we are the right place for you to spend time with us.
